

You are invited to the
TEXAS REGION PERCHLORATE CONFERENCE

Participants Include:

- ♦ US Navy
- ♦ US Air Force
- ♦ Region 6 of the US Environmental Protection Agency
- ♦ Brazos River Authority
- ♦ Interagency Perchlorate Steering Committee
- ♦ Texas Natural Resource Conservation Commission
- ♦ Department of Defense

**Thursday and Friday
May 20 and 21, 1999**

**The Cultural Activities Center
3301 North Third Street
Temple, Texas 76501**

This is an opportunity to hear from the national experts on perchlorate, and to ask questions about local and regional perchlorate issues.

Daytime sessions begin each day at 8:30 a.m.

A Thursday evening session (beginning at 6:30) will summarize the daytime presentations and will focus on the issue of perchlorate at the Naval Weapons Industrial Reserve Plant in McGregor, Texas. Also, officials from the Navy, IPSC and other agencies will be available from 5:30 to 6:30 p.m. on Thursday during a poster session.

There is no charge for attending the forum, however registration is required. For more information, use any of the following resources:
